

Clinical Research Enterprise Data Management System User Agreement and Certification of Electronic Signatures

Responsibilities Associated With Access to the Electronic Data Capture (EDC) System(s)

1. You are responsible for the security of the data to which you have access and will keep it secure according to the policies of your University/Institution.
2. You will respect the confidentiality and privacy of individuals whose records you may access.
3. You must protect your username and password as confidential. It may not be shared with anyone, including coworkers and investigators.
4. You are entirely responsible for any and all activities that occur under your account.
5. You agree to notify the Utah Data Coordinating Center (Utah DCC) immediately of any unauthorized use of your account or any other breach of security.

Certification of Electronic Signature

By signing below, I understand that my electronic signature is a legally binding equivalent to a handwritten signature.

My signature below also indicates that I have read the Responsibilities Associated with Access to the Electronic Data Capture (EDC) System(s) and agree to comply with these responsibilities.

Full Name: _____

University/Institution: _____
